DREAMS**

**PITCH DEVELOPMENT SPONSORSHIP PACKAGE**

# PITCH DEVELOPMENT SPONSORSHIP PACKAGE

Knockbeg College  
**FIELD OF  
DREAMS**

Knockbeg College has been at the heart of our community for generations — shaping young people, forging lifelong friendships, and nurturing a proud sporting tradition deeply rooted in GAA values. We now invite past pupils, local businesses, and GAA supporters to be part of the next chapter through our **Pitch Development Project**.

This initiative will deliver a first-class playing surface for current and future students, local clubs, and community events — a facility that reflects the pride, commitment, and sporting excellence synonymous with Knockbeg College.

**By supporting this project, partners are investing in:**

- Youth development and wellbeing
- The future of GAA in our locality
- A lasting community asset
- The legacy of Knockbeg College

Corporate partners will receive meaningful recognition, showcasing your support to a wide audience of families, alumni, schools, clubs, and visitors, while aligning your brand with education, community, and sport.

Whether you wore the jersey, cheered from the sideline, or built a business in this area, this is an opportunity to **give back, be visible, and be proud** — supporting a pitch where the next generation will train, compete, and grow.

**Together, we can build a pitch worthy of our past, our present, and our future.**

# PITCH DEVELOPMENT OUR FIELD OF DREAMS

Knockbeg College  
**FIELD OF  
DREAMS**

For generations, Knockbeg College has been more than a school. It is a place where character was shaped, friendships were forged, and memories were made — many of them on the field. From early morning training sessions to championship days, the pitch at Knockbeg has always been a **Field of Dreams.**

Today, we ask our past pupils, local businesses, and GAA supporters to help us reimagine that field — not just as grass and goalposts, but as a **lasting symbol of opportunity, ambition, and community spirit.**

The Pitch Development Project will create a modern, high-quality playing surface where young people can learn the values of teamwork, resilience, and pride in the jersey.

**It will serve Knockbeg students, local clubs, and the wider community for decades to come.**

**By supporting this project, you are:**

- Giving today's students the same chances you once had.
- Investing in the future of GAA in our area.
- Helping build a shared community asset.
- Leaving a legacy that will be remembered long after the final whistle.

For those who once lined out in Knockbeg colours, cheered from the sidelines, or built a business rooted in this community, this is a chance to give back in a meaningful way.

**Your support will be recognised with pride and gratitude, aligning your name or business with education, tradition, and sporting excellence.**

KNOCKBEG COL

**This is our  
Field of Dreams.**  
**Together, let's build  
it for those who came  
before us, and for those  
yet to come.**

Knockbeg College  
**FIELD OF  
DREAMS**

Dear Friends of Knockbeg College,

For generations, Knockbeg College has been far more than a school. It has been a place of friendship, formation, challenge and growth; a place that has quietly and consistently shaped the lives of young men for decades.

Today, we are excited to share the next chapter in that story.

The College is embarking on the development of two new, state-of-the-art GAA pitches. A significant investment that reflects our ongoing commitment to the wellbeing, education and future of our students and to the wider community that Knockbeg has always proudly served.

Sport has long played a central role in life at Knockbeg. It teaches teamwork, resilience, leadership and respect; values that echo far beyond the sidelines and remain with students long after they leave the College gates. This new facility will ensure that current and future students have access to modern, safe and inspiring spaces in which to learn, train and thrive.

As we look ahead, we are inviting our extended Knockbeg family, past pupils, parents, staff, friends, local businesses and sports organisations to be part of this investment in the future. There will be opportunities to support the project through both private and corporate contributions, allowing those who wish to do so to play a meaningful role in shaping what comes next for Knockbeg College.

Every contribution, large or small, helps ensure that Knockbeg remains a place where young people are supported, encouraged and inspired, just as it has been for so many before them.

Together, we can honour the legacy of Knockbeg College while helping to build facilities that will serve generations to come.

With sincere thanks and warm regards,

Michael Regan

Chair of the Board of Management

John Maye

Principal

## HOW CAN YOU HELP?

The total cost of this project will be five hundred thousand euro. We would appreciate if you would consider contributing to this effort. All contributions will be acknowledged in a meaningful way.
